FOREWORD

Amongst the various complexes and changes that Bangladesh has had to face since its independance, educational regeneration and Library development were the most important. Dhaka University Library is the largest amongst the University Libraries in Bangladesh which comprises nearly (600,000) six hundred thousand volumes of books and Journals excluding 30,000 rare and valuable manuscripts. These Manuscripts were written in different languages such as Sanskrit, Bengali, Arabic, Pali, Urdu, Persian, Maithily and Hindi. The process of identifying the Manuscript is being carried on by our teachers of Sanskrit Department, and the Research officers of this section resulting and publication of these Alphabetical index of Sanskrit Manuscripts.

The manuscript section of this university Library is one of the resourceful unit and the following catalogues and indexes have so far been published: (i) A Descriptive catalogue of Arabic, Persian and Urdu Manuscripts (2) A Descriptive catalogue of Bengali Manuscripts. (collection of late Abdul Karim Shahittya Visarad) (3) An Alphabetical Index of Bengali manuscripts in the Dhaka University Library part I and Part II. (4) An Alphabetical Index of Sanskrit Manuscripts in the Dhaka University Library Part I,II,III,IV &V

I feel great pleasure that the 6th part of the Alphabetical Index of Sanskrit Manuscripts is being published in which about 2000 Manuscripts in different fields such as Kavya, Vyakarana, Citipatta, Mantra, Tantra, Jyotisa, Purana, Upanisat, Nyaya, Darsan, Kulapanji, Nataka, Citrakavya, Itihasa, Ayurveda have heen accommodated.

Prof. A.K. Azad Chowdhury, Vice-Chancellor, Dhaka University deserves the sincere thanks for his valuable suggestion. Thanks are also due to the member of the Manuscripts committee for its present shape and its nice printing. It would not be exaggerated if sincere thanks are given to Mrs. Syeda Farida Parvin, Sr. Keeper of manuscripts, senior research officers Syed Ali Akbor and, Mrs. Shaheen Sultana and staffs of the Manuscripts section of this University library for their sincere effort to make this publication possible. I am sure that this volume will be a valuable research guide to our teachers, research scholars and readers of home and abroad.

Dr .Mr.Serajul Islam M.A.Ph.D. Librarian(Actg.) Dhaka University Library.

INTRODUCTION

AN ALPHABETICAL INDEX OF SANSKRIT MANUSCRIPTS IN THE DHAKA UNIVERSITY LIBRARY PART VI is now being published. Like the previous volumes, this volume also provides information partaining to each manuscript in the following manner:

- (a) Title (b) Author (c) Folios (d) Date (e) Copywriter (f) Date of copying:
- (g) Complete/Incomplete (h) Subject (i) Size and (j) Call number.

In this volume VI of the Index of Sanskrit Manuscripts a total of about two thousands numbers of manuscripts have been included from serial numbers 17001-19000. Most of these Manuscripts are incomplete. This is because these were mixed up in various bundles of Bengali and Sanskrit manuscripts. These are collected from different persons and various organizations through donation or purchase. Later teachers of the Sanskrit department and officers of the Manuscripts Section of the Library jointly identified and catalogued the manuscripts. Definite information about their places of collection are not known, neither the time of writing nor copying have been found.

This index include manuscripts of different fields such as Alamkara, Ayurveda, History, Literature, Kulapanji, medichine, Jyotis, Tantro-montro, philosopy, kavya, and Ayurveda etc. This index was prepeared under my general supervision by the following officers.

1. Syeda Farida Parvin

2. Syed Ali Akbor

3. Mrs. Shaheen Sultana

Senior Keeper of Manuscripts
Senior Research officer
Senior Research officer

I am happy to note that they have done an excellent job. I sincerely hope that this Index will be useful for the researchers and scholars. For a brief history of the Manuscript section of the Dhaka University Library. I would request the readers of this Index to please refer to my introduction to the Index of Bengali Manuscripts Part 1. pp.vi-x.

I would also like to mention that the sources of these manuscripts could not be traced in the records. The Author and subject Indexes are given in Appendix A and B respectively. I believe that by compiling and publishing subsequent volumes the Manuscripts section of the Dhaka University Library will continue to provide meaningful assistance to the scholars.

Mohamual Munimizzonan

Date: 2nd. December, 2000.

MOHAMMAD MONIRUZZAMAN
Professor of Bengali, University of Dhaka,

Member, Manuscript Committee Dhaka University Library.
